Re: **CC Docket No. 02-6**

Applicant Name:	St. Bernadette School
Billed Entity Number:	115235
Form 471 Application Number:	487193
Funding Request Number(s):	1351856 - (1351857 & 1351858)

Dear Federal Communication Commission,

Herewith we respectfully appeal the decision of the Schools and Libraries Division, Universal Services Administrative Company, with respect to the above referenced matter. The basis of this appeal is that in an effort to reduce communication expenditures, we consolidated our telephone services under a new provider. Attached is our Operational SPIN change Request dated January 9, 2006.

When we consolidated our "telephone" services, our New Service Provider (Electric Lightwave) replaced the Original Service Provider (Qwest) for FRN No: 1351856, 1351857 and 1351858. In so doing, we had expected the funds for FRN's 1351856, 1351857 and 1351858 would be incorporated.

We believe that in an effort to save money, we should not be penalized by consolidating services. Although only one FRN number was assigned to our New Service Provider (Electric Lightwave) we did, in fact, request all three FRN's be changed to the New Service Provider (Electric Lightwave) in Operational SPIN Change Request dated January 9, 2006. Please see attached copy.

Therefore, we request that FRN: 1351857 funds in the amount of \$402.58 and FRN: 1351858 funds in the amount of \$257.14 be released to St. Bernadette School pursuant to Form 472 Invoice Number: 683485, Applicant Form 472 Identifier: 3. Had we known that the funds under only one FRN would be paid out with respect to applying for a New Service Provider, we would have specifically requested FRN 1351857 (\$402.58) be assigned, since it carried more funds than FRN 1351856 (\$256.13).

Thank you for considering this appeal. We sincerely feel that St. Bernadette School acted in everyone's best interest in trying to save money. We do not feel it is in the spirit of the E-Rate Program for St. Bernadette School to be penalized as a result of our efforts to conserve funds.

Sincerely,

Pamela Armstrong

Retaining Funding Request No.

1351855 - Internet Access Portion

Please see:

Attachment Block 5, page 2 of 3, 2-a & 2-b

Pleased be advised that our Internet Access was bundled with out Telecommunication Services provided by Qwest Corporation under **Funding Request No. 1351855***. Since our Internet Access is still being provided by Qwest under a new account (2062413972 019B), we will be **retaining Funding Request No. 1351855 for our Internet Access** as described under Block 5, page 2 of 5 in our YEAR8-471. We are attaching a new Block 5, page 2 of 3 with respect to our ongoing Internet Access.

With respect to this Operational SPIN Change request, the original service provider for our cellular and telephone line did not supply any services for these items under this funding year.

I certify that (1) all SPIN changes requested in this letter are allowed under all applicable state and local procurement rules, (2) the Spin changes are alloweable under the terms of the contract, if any, between the applicant and its original service provider, and (3) the applicant has notified its original service provider of its intent to change service providers.
